ELECTRONIC ARTS SOFTWARE END USER LICENSE AGREEMENT FOR THE EA DOWNLOAD MANAGER

This End User License Agreement ("License") is an agreement between you and Electronic Arts Inc. ("EA"). This License governs your use of this application and all related software, documentation, and updates and upgrades that replace or supplement the application and are not distributed with a separate license (together, the "Application").

By installing or using The Application, you consent to be bound by this LICENSE. If you do not agree to all of the terms of this LICENSE, then do not install or use the APPLICATION. IF YOU INSTALL the Application, the terms and CONDITIONS of this LICENSE ARE fully accepted by you.

1. License Grant and Terms of Use.

- A. **Grant.** EA grants you a personal, non-exclusive license to install and use the Application for your personal, noncommercial use solely as set forth in this License and any accompanying documentation. Any commercial use is prohibited. You are expressly prohibited from sublicensing, renting, leasing or otherwise distributing the Application or rights to use the Application. The term of your license shall commence on the date that you start to download, install or otherwise use the Application, and shall end on the earlier of the date that you dispose of the Application; or EA's termination of this License.
 - B. **Copies.** You may download the number of copies allowed by the Application's digital rights management from an authorized source. The number of copies that you can download during a consecutive period of days may be limited. You may use only one copy of the Application at any given time. You may not make a copy of the Application available on a network where it could be used by multiple users at the same time. You may not make the Application available over a network where it could be downloaded by multiple users. For more information concerning the digital rights management that applies to the Application, please review the terms accompanying the distribution of the Application. Your license will terminate immediately if you attempt to circumvent digital rights management or other terms and conditions that apply to the Application or the software delivered through the Application.
 - C. **License Validation.** The Application is required to validate the license for certain products distributed by EA. You acknowledge and agree that the Application will automatically validate license rights for some or all EA products without separate notice to you. This means that in order to use the Application and certain EA products, you must leave the Application installed on your computer and maintain a connection to the Internet. You acknowledge and agree that the Application may use information regarding your computer and your use of the Application to validate your license rights and to update the Application. We may use this information to improve our products and services and may disclose this information to others for that purpose, but not in a form that personally identifies you. You also agree that the Application may automatically download and install updates that EA deems necessary. You acknowledge that any obligation EA may have to support the previous version(s) may be ended upon the availability of the update.
 - D. **Reservation of Rights and Restrictions.** The Application is licensed, and not sold, to you for use only under the terms of this License. Except as expressly licensed to you herein, EA reserves all right, title and interest in the Application and all software delivered through the Application (including all characters, storyline, images, photographs, animations, video, music, text), and all associated copyrights, trademarks, and other intellectual property rights therein. The License is limited to the intellectual property rights of EA and its licensors in the Application and does not include any rights to other patents or intellectual property. Except, and only to the extent that may be permitted under applicable law, you may not decompile, disassemble, or reverse engineer the Application by any means whatsoever, or alter, modify, enhance, or create a derivative work of the Application. You may not remove, alter, or obscure any product identification, copyright, or other intellectual property notices in the Application or software delivered through the Application.
2. **Consent to Use of Data.** You agree that EA may collect, use, store and transmit technical and related information that identifies your computer (including the Internet Protocol Address), operating system and application software and peripheral hardware, that may be gathered periodically to facilitate the provision of software updates, dynamically served content, product support and other services to you, including online play. EA may also use this information in the aggregate and, in a form which does not personally identify you, to improve our products and services and we may share that data with our third party service providers. IF YOU DO NOT WANT EA TO COLLECT, USE, STORE, TRANSMIT OR DISPLAY THE DATA DESCRIBED IN THIS SECTION, PLEASE DO NOT INSTALL OR USE THE APPLICATION.
 3. **Consent to Public Display of Data.** When you use the Application online, EA and its affiliates may also collect, use, store, transmit and publicly display statistical data regarding game play when you use the Application online (including scores, rankings and achievements), or to identify content that is created and shared by you with other players. Data that personally identified you is collected, used, stored and transmitted in accordance with EA's Privacy Policy located at privacy.ea.com.
 4. **Termination.** This License is effective until terminated. Your rights under this License will terminate immediately and automatically without any notice from EA if (i) you fail to comply with any of the terms and conditions of this License; or (ii) EA ceases to support the Application. Promptly upon termination, you must cease all use of the Application and destroy all copies of the Application in your possession or control. EA's termination will not limit any of EA's other rights or remedies at law or in equity. Sections 2-10 of this License shall survive termination or expiration of this License for any reason.

5. **Disclaimer of Warranties.** TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW, THE APPLICATION IS PROVIDED TO YOU "AS IS," WITH ALL FAULTS, WITHOUT WARRANTY OF ANY KIND, AND YOUR USE IS AT YOUR SOLE RISK. THE ENTIRE RISK OF SATISFACTORY QUALITY AND PERFORMANCE RESIDES WITH YOU. EA AND EA'S LICENSORS (COLLECTIVELY EA FOR PURPOSES OF THIS SECTION AND SECTION 6) DO NOT MAKE, AND HEREBY DISCLAIM, ANY AND ALL EXPRESS, IMPLIED OR STATUTORY WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD PARTY RIGHTS, AND WARRANTIES (IF ANY) ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE. EA DOES NOT WARRANT AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE APPLICATION; THAT THE APPLICATION WILL MEET YOUR REQUIREMENTS; THAT OPERATION OF THE APPLICATION WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT THE APPLICATION WILL BE COMPATIBLE WITH THIRD PARTY SOFTWARE OR THAT ANY ERRORS IN THE APPLICATION WILL BE CORRECTED. NO ORAL OR WRITTEN ADVICE PROVIDED BY EA OR ANY AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF OR LIMITATIONS ON IMPLIED WARRANTIES OR THE LIMITATIONS ON THE APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO SOME OR ALL OF THE ABOVE EXCLUSIONS AND LIMITATIONS MAY NOT APPLY TO YOU.
6. **Limitation of Liability.** TO THE FULLEST EXTENT PERMISSIBLE BY APPLICABLE LAW, IN NO EVENT SHALL EA BE LIABLE TO YOU FOR ANY PERSONAL INJURY, PROPERTY DAMAGE, LOST PROFITS, COST OF SUBSTITUTE GOODS OR SERVICES, OR ANY FORM OF INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES FROM ANY CAUSES OF ACTION RELATED TO THIS LICENSE OR THE APPLICATION, WHETHER ARISING IN TORT (INCLUDING NEGLIGENCE), CONTRACT, STRICT LIABILITY OR OTHERWISE, WHETHER OR NOT EA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OF LIABILITY FOR DEATH, PERSONAL INJURY, FRAUDULENT MISREPRESENTATIONS OR CERTAIN INTENTIONAL OR NEGLIGENT ACTS, OR VIOLATION OF SPECIFIC STATUTES, OR THE LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO SOME OR ALL OF THE ABOVE LIMITATIONS OF LIABILITY MAY NOT APPLY TO YOU. In no event shall EA's total liability to you for all damages (except as may be required under applicable law) exceed the amount actually paid by you for the Application.
7. **Limitation of Liability is a Material Term of this License.** You agree that the provisions in this License that limit liability are essential terms of this License. The foregoing limitations of liability apply even if any remedies described in this License fail in their essential purpose.
8. **Severability and Survival.** If any provision of this License is illegal or unenforceable under applicable law, the remainder of the provision shall be amended to achieve as closely as possible the effect of the original term and all other provisions shall continue in full force and effect.
9. **U.S. Government Restricted Rights.** If you are a government end user, then this provision applies to you. The software provided in connection with this License has been developed entirely at private expense, as defined in FAR section 2.101, DFARS section 252.227-7014(a)(1) and DFARS section 252.227-7015 (or any equivalent or subsequent agency regulation thereof), "commercial items," "commercial computer software" and/or "commercial computer software documentation." Consistent with DFARS section 227.7202 and FAR section 12.212, and to the extent required under U.S. federal law, the minimum restricted rights as set forth in FAR section 52.227-19 (or any equivalent or subsequent agency regulation thereof), any use, modification, reproduction, release, performance, display, disclosure or distribution thereof by or for the U.S. Government shall be governed solely by this License and shall be prohibited except to the extent expressly permitted by this License.
10. **Injunctive Relief.** You agree that a breach of this License may cause irreparable injury to EA for which monetary damages would not be an adequate remedy and EA shall be entitled to seek equitable relief in addition to any remedies it may have hereunder or at law.
11. **Governing Law.** This License shall be governed by and construed (without regard to conflicts or choice of law principles) under the laws of the State of California as applied to agreements entered into and to be performed entirely in California between California residents. Unless expressly waived by EA in writing for the particular instance or contrary to local law, the sole and exclusive jurisdiction and venue for actions related to the subject matter hereof shall be the California state and federal courts having within their jurisdiction the location of EA's principal place of business. Both parties consent to the jurisdiction of such courts and agree that process may be served in the manner provided herein for giving of notices or otherwise as allowed by California or federal law. The parties agree that the UN Convention on Contracts for the International Sale of Goods (Vienna, 1980) shall not apply to this License or to any dispute or transaction arising out of this License.
12. **Export.** You agree to abide by U.S. and other applicable export control laws and agree not to transfer the Application to a foreign national, or national destination, which is prohibited by such laws, without first obtaining, and then complying with, any requisite government authorization. You certify that you are not a person with whom EA is prohibited from transacting business under applicable law.
13. **Third Party Notices.** Adobe® Flash® Player. Copyright © 1996 – 2006 Adobe Systems Incorporated. All Rights Reserved. 14. **Entire Agreement.** This License constitutes the entire agreement between you and EA with respect to the Application and supersedes all prior or contemporaneous understandings regarding such subject matter. No amendment to or modification of this License will be binding unless made in writing and signed by EA. No failure to exercise, and no delay in exercising, on the part of either party, any right or any power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or power hereunder preclude further exercise of any other right hereunder. In the event of a conflict between this License and any applicable purchase or other terms, the terms of this License shall govern.

PLAYING THE GAME

COMBAT

Take out the enemy by pressing the left mouse button to open fire. Right-click for precision aiming; crouch (press left **CONTROL**) to steady your shot and make it tougher for enemies to hit you. Switch weapons by pressing the numeric keypad or scrolling with the mouse wheel. Use your knife (middle-click) for a stealth/ melee kill.

Be sure to take cover where you can and keep moving before your cover is blown away—and you with it. You can also try sneaking around to flank enemy positions while your squadmates have them occupied.

HEALTH

A few hits in critical areas, and that's the end of you. When you see your own blood creeping in around the edges, take cover until your health regenerates.

GADGETS

Various items help you keep vehicles and squadmates in good repair ... or help you demolish mission targets. Press **3** to enable your primary gadget or press **4** for your secondary gadget. Use your active gadget by left-clicking.

SIGNALS INTELLIGENCE: After the enemy shoots your vehicle full of holes in a Multiplayer match, make sure you repair the damage to keep it in top shape. As an Engineer, equip your power tool, then click and hold right mouse button until it's fixed up.

VEHICLES

If you see it, you can drive it. Press **E** to enter any vehicle and use it to tip the scales on the battlefield.

Heavy	Main Battle Tanks, Infantry Fighting Vehicles, and Anti-Aircraft vehicles
Light	Armored 4X4s and Quad Bikes
Air	Attack Helicopters, Transport Helicopters, and Unmanned Aerial Vehicles
Water	Personal Water Crafts and Patrol Boats
Stationary	Stationary, Anti-Air, and Anti-Tank weapons as well as mounted Heavy Machine Guns

TOTAL DESTRUCTION

Nowhere is safe. Every building and most cover objects can be chipped away or completely destroyed if enough firepower is trained on it. Anybody caught inside a collapsing building gets buried alive.

SINGLE PLAYER

Take your squad deep into hostile territory as an escalating U.S./Russia conflict threatens to turn America into a graveyard. Grab any vehicle you see, demolish any obstacles in your way, and race to uncover a Russian plot that could turn the tide of war in a single, devastating flash. The odds of survival aren't good. That's why they're sending *you*.

SIGNALS INTELLIGENCE: To view your objectives, press **ESC** to access the pause menu at any time.

WEAPON SUPPLY DROPS

All the weaponry you find is collectable, but you can only carry two weapons at a time. Switch out your current load-out by locating a Supply Drop. Once you make contact with the Drop, you can select any weapons you've unlocked.

SIGNALS INTELLIGENCE: Fill out your arsenal and earn Trophies by finding all the collectable weapons scattered through the levels. Some weapons are available only on specific levels.

THE SQUAD: BRAVO TWO

PRESTON MARLOWE (You)

Raised on two generations of war stories, Private Marlowe joined Bad Company to get some combat under his belt. Now, as Bad Company's latest "recruit," Marlowe's getting all the action he can handle. Maybe more.

SARGE (Squad Leader)

Sergeant Samuel D. Redford is the only soldier to actually request transfer to Bad Company. Some paint that decision as crazy or suicidal, but Sarge has his reasons. He used to buy in to the whole military lifestyle, Mom and Apple Pie, all of it. Not anymore. Especially not after Sadiz.

SWEETWATER (Technical and Communications Specialist)

Private Terrence Sweetwater is too smart for his own good. He enlisted for the college scholarship his recruiter dangled in front of him, figuring his brains would keep him in the rear with the gear. And maybe they would have, if he hadn't "accidentally" uploaded a virus to a secure military network he wasn't supposed to access in the first place.

HAGGARD (Explosives Expert)

Private George Gordon Haggard, Jr. actually likes being in Bad Company. His better personality traits include low-impulse control, consistently poor hygiene, and an encyclopedic knowledge of explosives. The upside is that Haggard's a hell of a soldier. He's just a little ... unorthodox. And loud.

MULTIPLAYER

Take on the world in objective-based Multiplayer matches. Up to 32 players team up to defend key items and positions, or simply wipe the opposition off the map. Choose the gear that favors infantry or vehicle warfare, and see how long you can survive.

As your score increases, you unlock more gear and weapons to take into combat. Win bonus points by defending M-COM units, disabling charges set by the enemy, and assisting others on the battlefield.

Visit www.battlefield.com/badcompany2 to see your complete gameplay stats.

SIGNALS INTELLIGENCE: Destroying M-COM units (in Multiplayer) or retrieving enemy intel from them (in Single Player) earns Trophies.

SQUAD PLAY

Sixteen-man teams are broken down into four-player squads, and some game modes narrow things down to a Squad vs. Squad face-off. In all cases, the smart soldier sticks by his squad. A good squad can resuscitate fallen comrades, keep vehicles in good repair and watch each others' six, even in the worst situations. Work together to succeed.

When you're killed, you can choose to respawn at your squadmate's location.

SIGNALS INTELLIGENCE: Your squad's names appear to the right of your map; the green color those names appear in corresponds to their markers on your map. Other friendly soldiers appear in blue, enemies in red.

GAME MODES

Rush

Defend or destroy pairs of M-COM stations for as long as reinforcements hold out. An M-COM station can also be destroyed when a building is collapsing down on it.

Conquest

Capture and hold flags for as long as possible against all comers. Vehicles unlock as control points are held. Bonus points for inflicting casualties on the opposition.

Squad Rush

Rush played tight, as two squads go head-to-head over two single M-COM stations. Blow the stations or bury all enemy reinforcements to win.

Squad Deathmatch

Four squads and one Infantry Fighting Vehicle roam the map. Nail the other squads before they nail you. First squad to fifty kills wins.

SIGNALS INTELLIGENCE: Use the mini-map to find teammates who need a medic kit (yellow crosses) or a vehicle that needs repair (wrenches). Lend a hand to earn bonus points and improve your chances for victory.

MAPS

Use the recommended battle tactics to dominate your enemies on all ten unique landscapes.

OPERATION NAME	GAMEPLAY CHARACTERISTICS	SETTING
Panama Canal	Infantry/Vehicle	Industrial
Valparaíso	Infantry	Jungle
Isla Inocentes	Infantry/Vehicle	Archipelago
Atacama Desert	Vehicle	Desert
Arica Harbor	Infantry/Vehicle	Urban
White Pass	Infantry	Urban
Laguna Presa	Infantry	Jungle
Port Valdez	Vehicle	Industrial
Laguna Alta	Infantry/Vehicle	Woodland
Nelson Bay	Infantry	Forest, Night

KITS

Kits are your weapon and gear load-out for the battlefield. Select the kit that best fits the trouble you're expecting ... or the trouble you want to cause. Choose wisely and erase the enemy.

Assault	The tip of the spear in any offensive, Assault grunts typically carry heavy combat rifles and grenade launchers to quickly clear a path.
Engineer	Combat mechanics who are equally adept at repairing friendly vehicles and destroying enemy armor. Engineers pack SMGs for human targets.
Medic	The Hippocratic Oath takes a back seat to these field Medics, who carry pills and defibrillators for friendlies and a light machine gun for all others.
Recon	Masters of stealth, Recon specializes in sniping tingos, sabotaging vehicles with C4, or calling in mortar strikes via special binoculars.

UNLOCKS

Earning points in Multiplayer matches unlocks special gear and upgraded weaponry; select them when gearing up in the kit selection. Any unlocked items are available the next time you join a match or respawn. The End of Round Scoring page shows your progress and helps you plan your career.

In no event will Electronic Arts be liable for any special, incidental, or consequential damages resulting from possession, use or malfunction of this Electronic Arts product, including damage to property, and to the extent permitted by law, damages for personal injury, even if Electronic Arts has been advised of the possibility of such damages. Some states do not allow limitation as to how long an implied warranty lasts and/or exclusions or limitation of incidental or consequential damages so the above limitations and/or exclusion of liability may not apply to you. In such jurisdictions, the Electronic Arts' liability shall be limited to the fullest extent permitted by law. This warranty gives you specific rights. You may also have other rights that vary from state to state.
