# ELECTRONIC ARTS SOFTWARE END USER LICENSE AGREEMENT FOR THE EA DOWNLOAD MANAGER

This End User License Agreement ("License") is an agreement between you and Electronic Arts Inc. ("EA"). This License governs your use of this application and all related software, documentation, and updates and upgrades that replace or supplement the application and are not distributed with a separate license (together, the "Application"). By installing or using The APPLICATION, you consent to be bound by this LICENSE. If you do not agree to all of the terms of this LICENSE, then do not install or use the APPLICATION. IF YOU INSTALL the Application, the terms and CONDITIONS of this LICENSE ARE fully accepted by you.

## 1. License Grant and Terms of Use.

- A. **Grant.** EA grants you a personal, non-exclusive license to install and use the Application for your personal, noncommercial use solely as set forth in this License and any accompanying documentation. Any commercial use is prohibited. You are expressly prohibited from sublicensing, renting, leasing or otherwise distributing the Application or rights to use the Application. The term of your license shall commence on the date that you start to download, install or otherwise use the Application, and shall end on the earlier of the date that you dispose of the Application; or EA's termination of this License.
  - B. **Copies.** You may download the number of copies allowed by the Application's digital rights management from an authorized source. The number of copies that you can download during a consecutive period of days may be limited. You may use only one copy of the Application at any given time. You may not make a copy of the Application available on a network where it could be used by multiple users at the same time. You may not make the Application available over a network where it could be downloaded by multiple users. For more information concerning the digital rights management that applies to the Application, please review the terms accompanying the distribution of the Application. Your license will terminate immediately if you attempt to circumvent digital rights management or other terms and conditions that apply to the Application or the software delivered through the Application.
  - C. **License Validation.** The Application is required to validate the license for certain products distributed by EA. You acknowledge and agree that the Application will automatically validate license rights for some or all EA products without separate notice to you. This means that in order to use the Application and certain EA products, you must leave the Application installed on your computer and maintain a connection to the Internet. You acknowledge and agree that the Application may use information regarding your computer and your use of the Application to validate your license rights and to update the Application. We may use this information to improve our products and services and may disclose this information to others for that purpose, but not in a form that personally identifies you. You also agree that the Application may automatically download and install updates that EA deems necessary. You acknowledge that any obligation EA may have to support the previous version(s) may be ended upon the availability of the update.
  - D. **Reservation of Rights and Restrictions.** The Application is licensed, and not sold, to you for use only under the terms of this License. Except as expressly licensed to you herein, EA reserves all right, title and interest in the Application and all software delivered through the Application (including all characters, storyline, images, photographs, animations, video, music, text), and all associated copyrights, trademarks, and other intellectual property rights therein. The License is limited to the intellectual property rights of EA and its licensors in the Application and does not include any rights to other patents or intellectual property. Except, and only to the extent that may be permitted under applicable law, you may not decompile, disassemble, or reverse engineer the Application by any means whatsoever, or alter, modify, enhance, or create a derivative work of the Application. You may not remove, alter, or obscure any product identification, copyright, or other intellectual property notices in the Application or software delivered through the Application.
2. **Consent to Use of Data.** You agree that EA may collect, use, store and transmit technical and related information that identifies your computer (including the Internet Protocol Address), operating system and application software and peripheral hardware, that may be gathered periodically to facilitate the provision of software updates, dynamically served content, product support and other services to you, including online play. EA may also use this information in the aggregate and, in a form which does not personally identify you, to improve our products and services and we may share that data with our third party service providers. IF YOU DO NOT WANT EA TO COLLECT, USE, STORE, TRANSMIT OR DISPLAY THE DATA DESCRIBED IN THIS SECTION, PLEASE DO NOT INSTALL OR USE THE APPLICATION.
  3. **Consent to Public Display of Data.** When you use the Application online, EA and its affiliates may also collect, use, store, transmit and publicly display statistical data regarding game play when you use the Application online (including scores, rankings and achievements), or to identify content that is created and shared by you with other players. Data that personally identified you is collected, used, stored and transmitted in accordance with EA's Privacy Policy located at [privacy.ea.com](http://privacy.ea.com).
  4. **Termination.** This License is effective until terminated. Your rights under this License will terminate immediately and automatically without any notice from EA if (i) you fail to comply with any of the terms and conditions of this License; or (ii) EA ceases to support the Application. Promptly upon termination, you must cease all use of the Application and destroy all copies of the Application in your possession or control. EA's termination will not limit any of EA's other rights or remedies at law or in equity. Sections 2-10 of this License shall survive termination or expiration of this License for any reason.

5. **Disclaimer of Warranties.** TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW, THE APPLICATION IS PROVIDED TO YOU "AS IS," WITH ALL FAULTS, WITHOUT WARRANTY OF ANY KIND, AND YOUR USE IS AT YOUR SOLE RISK. THE ENTIRE RISK OF SATISFACTORY QUALITY AND PERFORMANCE RESIDES WITH YOU. EA AND EA'S LICENSORS (COLLECTIVELY EA FOR PURPOSES OF THIS SECTION AND SECTION 6) DO NOT MAKE, AND HEREBY DISCLAIM, ANY AND ALL EXPRESS, IMPLIED OR STATUTORY WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, AND WARRANTIES (IF ANY) ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE. EA DOES NOT WARRANT AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE APPLICATION; THAT THE APPLICATION WILL MEET YOUR REQUIREMENTS; THAT OPERATION OF THE APPLICATION WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT THE APPLICATION WILL BE COMPATIBLE WITH THIRD PARTY SOFTWARE OR THAT ANY ERRORS IN THE APPLICATION WILL BE CORRECTED. NO ORAL OR WRITTEN ADVICE PROVIDED BY EA OR ANY AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF OR LIMITATIONS ON IMPLIED WARRANTIES OR THE LIMITATIONS ON THE APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO SOME OR ALL OF THE ABOVE EXCLUSIONS AND LIMITATIONS MAY NOT APPLY TO YOU.
6. **Limitation of Liability.** TO THE FULLEST EXTENT PERMISSIBLE BY APPLICABLE LAW, IN NO EVENT SHALL EA BE LIABLE TO YOU FOR ANY PERSONAL INJURY, PROPERTY DAMAGE, LOST PROFITS, COST OF SUBSTITUTE GOODS OR SERVICES, OR ANY FORM OF INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES FROM ANY CAUSES OF ACTION RELATED TO THIS LICENSE OR THE APPLICATION, WHETHER ARISING IN TORT (INCLUDING NEGLIGENCE), CONTRACT, STRICT LIABILITY OR OTHERWISE, WHETHER OR NOT EA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OF LIABILITY FOR DEATH, PERSONAL INJURY, FRAUDULENT MISREPRESENTATIONS OR CERTAIN INTENTIONAL OR NEGLIGENT ACTS, OR VIOLATION OF SPECIFIC STATUTES, OR THE LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO SOME OR ALL OF THE ABOVE LIMITATIONS OF LIABILITY MAY NOT APPLY TO YOU. In no event shall EA's total liability to you for all damages (except as may be required under applicable law) exceed the amount actually paid by you for the Application.
7. **Limitation of Liability is a Material Term of this License.** You agree that the provisions in this License that limit liability are essential terms of this License. The foregoing limitations of liability apply even if any remedies described in this License fail in their essential purpose.
8. **Severability and Survival.** If any provision of this License is illegal or unenforceable under applicable law, the remainder of the provision shall be amended to achieve as closely as possible the effect of the original term and all other provisions shall continue in full force and effect.
9. **U.S. Government Restricted Rights.** If you are a government end user, then this provision applies to you. The software provided in connection with this License has been developed entirely at private expense, as defined in FAR section 2.101, DFARS section 252.227-7014(a)(1) and DFARS section 252.227-7015 (or any equivalent or subsequent agency regulation thereof), "commercial items," "commercial computer software" and/or "commercial computer software documentation." Consistent with DFARS section 227.7202 and FAR section 12.212, and to the extent required under U.S. federal law, the minimum restricted rights as set forth in FAR section 52.227-19 (or any equivalent or subsequent agency regulation thereof), any use, modification, reproduction, release, performance, display, disclosure or distribution thereof by or for the U.S. Government shall be governed solely by this License and shall be prohibited except to the extent expressly permitted by this License.
10. **Injunctive Relief.** You agree that a breach of this License may cause irreparable injury to EA for which monetary damages would not be an adequate remedy and EA shall be entitled to seek equitable relief in addition to any remedies it may have hereunder or at law.
11. **Governing Law.** This License shall be governed by and construed (without regard to conflicts or choice of law principles) under the laws of the State of California as applied to agreements entered into and to be performed entirely in California between California residents. Unless expressly waived by EA in writing for the particular instance or contrary to local law, the sole and exclusive jurisdiction and venue for actions related to the subject matter hereof shall be the California state and federal courts having within their jurisdiction the location of EA's principal place of business. Both parties consent to the jurisdiction of such courts and agree that process may be served in the manner provided herein for giving of notices or otherwise as allowed by California or federal law. The parties agree that the UN Convention on Contracts for the International Sale of Goods (Vienna, 1980) shall not apply to this License or to any dispute or transaction arising out of this License.
12. **Export.** You agree to abide by U.S. and other applicable export control laws and agree not to transfer the Application to a foreign national, or national destination, which is prohibited by such laws, without first obtaining, and then complying with, any requisite government authorization. You certify that you are not a person with whom EA is prohibited from transacting business under applicable law.

No failure to exercise, and no delay in exercising, on the part of either party, any right or any power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or power hereunder preclude further exercise of any other right hereunder. ## CRITICAL SUIT METERS

## ADJUSTING SUIT PARAMETERS

Adjust the following suit settings to a comfortable level prior to your mission. If you need to adjust them during your mission, pause the game by pressing **ESC**, and then select **OPTIONS**.

- Audio** Raise and lower the game's audio levels.  
Turn subtitles on or off.
- Controls** Invert the X- or Y-axis. Remap your controls.
- Visuals** Adjust your video output settings.

## PRECISION AIMING

Enter aim mode on any weapon by pressing and holding the right mouse button. This applies to using the Stasis and Kinesis Modules, and zero-G jumps as well. Aim the targeting reticule by moving the mouse.

## DECK NAVIGATION

Activate your suit's built-in navigation system by pressing and holding **B/left CTRL**. A holographic route will appear that leads you to your current objective. To provide accurate triangulation results, all movement is restricted while the navigation system is in use.

## MANAGEMENT SYSTEMS

Every CEC suit is built with efficiency in mind, and includes access to four different management systems: inventory (**I**), objectives (**J**), mission logs (**L**), and a map (**M**). Access each system by pressing **TAB**, and pressing **1-4** to scroll to the intended screen.

## INVENTORY MANAGEMENT

While your item slots are limited at first, purchasing suit upgrades expands the number of available slots. Item usage and weapon assignment are also carried out in the inventory screen.

## MISSION OBJECTIVES

A simple color-coded system marks active objectives as light blue, accomplished objectives as green, and inactive objectives as red. Select any objective by pressing the arrow keys to view your personal notes on it. Used in conjunction with the deck navigation system, chances of getting lost aboard the Ishimura are minimized.

## MISSION LOGS

All video, audio, and text logs are kept in an organized database, divided by mission chapters, with a separate tab for Training Tips. Please review your logs before contacting your superiors.

## MAP SCREEN

Your current location, next objective, as well as any save, store, bench, and air/stasis locations are revealed on this holographic map. Change objectives and your navigation path by pressing **E**. Press the arrow keys, or move the mouse while holding **ALT** or the middle mouse button to tilt and rotate the map to a more comfortable viewing angle. To zoom in and out on the map screen, use the scroll wheel or **Z** and **X**, respectively.

## TOOLS OF THE TRADE

Remember that all weapons detailed below have a primary and secondary fire mode—activated by first entering aim mode, then pressing the left mouse button or **SPACEBAR**/middle mouse button, respectively. Take the time to experiment with each weapon, and make a note of what types of situations they will be most useful in.

### WEAPONS

#### PLASMA CUTTER

- Primary: Short, accurate, long-range energy blast.
- Secondary: Blade orientation changes 90 degrees.

#### LINE GUN

- Primary: Wide, powerful, long-range energy blast.
- Secondary: Timed mine, radial damage.

#### PULSE RIFLE

- Primary: Rapid-fire, long-range, accurate energy blasts.
- Secondary: Overhead 360-degree sweep.

#### RIPPER

- Primary: Medium-range, remote-controlled circular saw-blade.
- Secondary: Single, straight shot with circular saw-blade.

#### CONTACT BEAM

- Primary: Very powerful build-up, single-shot energy blast.
- Secondary: Short-range, 360-degree energy blast from the feet.

#### FORCE GUN

- Primary: Wide cone, short-range, high-knockback/damage force blast.
- Secondary: Timed/proximity grenade, radial force blast.

#### FLAMETHROWER

- Primary: Narrow cone, short-range fire damage.
- Secondary: Napalm ballistic projectile with radial damage over time.

## ABILITIES

Stasis and Kinesis abilities affect both machinery and organic materials, so be cautious when working in proximity to others.

### STASIS

The Stasis Module allows you to create a bubble of “slow time,” to assist you in repairs. Enter aim mode and press **C** to fire a projectile that slows down time within a sphere. The effect wears off after a few seconds, so act as quickly as possible during this time. Keep in mind that Stasis will need to be replenished through battery packs or recharge stations found throughout the ship.

### KINESIS

Enter aim mode and press **F** to use Kinesis to “capture” objects and bring them towards you. These objects can either be released by exiting aim mode, or propelled forwards by clicking the left mouse button. Experiment freely using Kinesis in different situations to make the most of its unique abilities, as its power is unlimited and does not require replenishing.

### STASIS/OXYGEN STATIONS

Your CEC suit can contain Stasis power and oxygen in limited amounts only, requiring replenishment during your mission. Conveniently, Stasis and oxygen stations are located throughout the ship. Each station can be used an infinite number of times, though there is a delay after each use while it recharges.

### GRAVITY BOOTS

You are equipped with gravity boots that automatically keep you rooted to valid ship surfaces in zero-G. Enter aim mode and press **CTRL** to jump from plate to plate.

## BENCH: NANO-CIRCUIT REPAIR

Upgrade benches are located throughout the Ishimura that enable you to enhance your weapons. Spare power nodes are required to use the bench, and must be installed sequentially along any upgrade path. To upgrade a weapon, first select a weapon by pressing the arrow keys, and then access its upgrade by pressing **ENTER**. Then place a spare node into the next available slot.

## USG ISHIMURA STORE & EXCHANGE

Almost any item you may need during your mission can be purchased at a USG Ishimura Store & Exchange. These shops are conveniently located throughout the ship, and can be used to not only buy supplies, but to sell and store inventory items as well.

## SHOP

To purchase an item, select it using the arrow keys and press **ENTER**. Remember to make sure you have enough credits to purchase the item, as well as an open inventory slot. If you find yourself in need of extra inventory slots and/or stronger armor, newer model CEC suits are available for purchase as well upon uploading the proper schematic.

## INVENTORY

To sell an item for extra credits, select the Inventory tab by pressing the arrow keys. Then select the item you wish to sell by pressing **ENTER**. Finalize your sale by selecting **SELL** and pressing **ENTER** again. Be aware when offloading items that they do depreciate and will sell for less than the original purchase price unless they have been upgraded while in your possession.

## SAFE

The USG Ishimura Store & Exchange provides a safe storage service for all CEC employees. Storing items and weapons frees up inventory slots without forcing you to sell them. Any item stored in the safe can then be recovered at any other USG Store & Exchange location without any cost. To put an item in the safe, simply act as if you are selling it, but choose **MOVE** rather than **SELL** when finalizing your transaction.

## SCHEMATICS

To purchase new equipment from the USG Ishimura Store & Exchange, you must first find its schematics aboard the ship. You have full clearance to explore the Ishimura, so make it a point to find as many schematics as possible. Once found, the schematic can be uploaded into the Store, and the item can then be bought at any USG Ishimura Store & Exchange in the Shop tab.

## SAVE/LOAD

Your mission will be recorded at all times so that it may be used to train future personnel. It will be your responsibility to save this data to our servers at any of the video log recording stations found on the ship as the auto-prompt feature will only activate after key milestones are met. Do not hesitate to use the stations as much as possible in order to reduce the risk of losing valuable data.
