EPILEPSY WARNING

Please read before using this game or allowing your children to use it.

Some people are susceptible to epileptic seizures or loss of consciousness when exposed to certain flashing lights or light patterns in everyday life. Such people may have a seizure while watching television images or playing certain video games. This may happen even if the person has no medical history of epilepsy or has never had any epileptic seizures. If you or anyone in your family has ever had symptoms related to epilepsy (seizures or loss of consciousness) when exposed to flashing lights, consult your doctor prior to playing.

We advise that parents should monitor the use of video games by their children. If you or your child experience any of the following symptoms: dizziness, blurred vision, eye or muscle twitches, loss of consciousness, disorientation, any involuntary movement or convulsion, while playing a video game, discontinue use IMMEDIATELY and consult your doctor.

PRECAUTIONS TO TAKE DURING USE

- Do not stand too close to the screen. Sit a good distance away from the screen, as far away as the length of the cable allows.
- Preferably play the game on a small screen.
- Avoid playing if you are tired or have not had much sleep.
- Make sure that the room in which you are playing is well lit.
- Rest for at least 10 to 15 minutes per hour while playing a video game.

PERFORMANCE TIPS

MACINTOSH SOFTWARE UPDATE

An outdated version of your MacOS X system software may lead to issues with game performance. To be sure that you have the latest version of MacOS X, choose 'Software Update...' from the Apple menu and follow the directions to update your system software.

PROBLEMS RUNNING THE GAME

- Make sure you meet the minimum system requirements for this game and that you have the latest drivers for your video card and sound card installed:
For NVIDIA video cards, visit www.nvidia.com to locate and download them.
For ATI video cards, visit www.ati.amd.com to locate and download them.
- For PC users, if you are running the disc version of this game, try reinstalling DirectX from the disc. This is typically found in the DirectX folder on the root of the disc. If you have Internet access, you can visit www.microsoft.com to download the latest version of DirectX.

GENERAL TROUBLESHOOTING TIPS

- For PC users, if you have the disc version of this game and the AutoPlay screen does not automatically appear for installation/playing, right-click the disc drive icon found in My Computer and select AutoPlay.
- If the game is running slowly, try reducing the quality of some of the video and sound settings from the game's options menu. Reducing the screen resolution can often improve performance.
- For optimum performance when playing, you may like to disable other background tasks (except the EADM application, if applicable) running in Windows.

INTERNET PERFORMANCE ISSUES

To avoid poor performance during Internet play, be sure that you close any file sharing, streaming audio, or chat programs prior to entering gameplay. These applications can monopolize your connection's bandwidth, causing lag or other undesirable effects.

If you are attempting to play on a corporate Internet connection, contact your network administrator.

CUSTOMER SUPPORT

If you have trouble with this game, EA Customer Support can help.

The *EA Help* file provides solutions and answers to the most common difficulties and questions about how to properly use this product.

To access the EA Help file (with the game already installed):

Windows Vista users, go to **Start > Games**, right-click the game icon, and select the appropriate support link from the drop-down menu.

For users on earlier versions of Windows, click the **Technical Support** link in the game's directory located in the **Start > Programs** (or **All Programs**) menu.

To access the EA Help file (without the game already installed):

1. Insert the game disc into your CD/DVD-ROM drive.
2. Double-click the My Computer icon on the Desktop. (For Windows XP, you may need to click the **Start** button and then click the My Computer icon).
3. Right-click the CD/DVD-ROM drive that has the game disc and then select **OPEN**.
4. Open the **Support > EA Help > Electronic_Arts_Technical_Support.htm** file.

To access EA Help information on a Macintosh, please see the readme file.

If you are still experiencing difficulty after utilizing the information in the EA Help file you can contact EA Technical Support.

EA Customer Support on the Internet

If you have Internet access, be sure to check our EA Technical Support website at:

<http://eusupport.ea.com>

Here you will find a wealth of information on DirectX, game controllers, modems, and networks, as well as information on regular system maintenance and performance. Our website contains up-to-date information on the most common difficulties, game-specific help, and frequently asked questions (FAQs). This is the same information our support technicians use to troubleshoot your performance issues. We keep the support website updated on a daily basis, so please check here first for no-wait solutions.

Support Centre Contact Info

If you require further assistance and would prefer to speak to a technician, telephone our Customer Support team (9am-9pm, Monday-Friday):

Telephone: **0870 243 2435**

NOTE: No hints or codes are available from the Support Centre.

Fax: **0870 2413231**

Calls charged at national call rates; please consult your telecoms provider for details.

To help us diagnose the problem please generate a DirectX Diagnostic report of your PC before calling us:

Click **Start > Run...** and type **dxdiag**. Click **OK**, then once the report is complete, Click **SAVE ALL INFORMATION...** and save the report to your Windows Desktop.

WARRANTY

NOTE: The Following warranties only apply to products sold at retail. These warranties do not apply to Spore Creature Creator Trial Edition.

Limited Warranty

Electronic Arts warrants to the original purchaser of this computer software product that the recording media on which the software programs are recorded will be free from defects in materials and workmanship for 12 months from the date of purchase. During such period defective media will be replaced if the original product is returned to Electronic Arts at the address below, together with a dated proof of purchase, a statement describing the defects, the faulty media and your return address. This warranty is in addition to, and does not affect your statutory rights in any way. This warranty does not apply to the software program themselves, which are provided "as is", nor does it apply to media which has been subject to misuse, damage or excessive wear.

Returns After Warranty

Electronic Arts will replace user-damaged media, current stocks allowing, if the original media is returned with a cheque or postal order for £7.50 per disc, payable to Electronic Arts Ltd. Please remember to include full details of the defect, your name, address and where possible, a daytime telephone number where we can contact you.

Electronic Arts Customer Warranty, PO Box 1096, Guildford, GU1 9JN, United Kingdom.

Electronic Arts excludes any warranty in relation to the Product if it is bought second hand and the consumer is not the first end user of the Product.
